The law requires that you apply for Certificate of Title within ten days from the date of purchase of a motor vehicle. There is a delinquency penalty of \$5.00 for failure to do so. Attach Certificate of Title assigned by seller for other legal evidence that Title should be issued. On endorsed Titles, liens must be released on release form on reverse side of title. Supporting documents surrendered with this application cannot be returned to the applicant. There must also be an application for license plates or transfer of license plates, or Form S signed.
