Dear brother Carroll;

The feeling here about continuing the Herald Of Truth program is a toss-up. On the one hand it is a good work and worthy of united support, but on the other hand, we have gotten so many leads from our bus ministry, we hardly have the "manpower" to take care of them like we should, and it seems to be paying off so much more than the TV program. Norm said that he had received a couple of leads since the first of the year, so from that standpoint, it isn't producing that many leads for us.

I believe that we would drop the program in favor of our response in our work here but we don't want to put the whole program in jeopardy if you need us to carry our part and the others want to continue the program. In any case we are continuing to help the Herald Of Truth (sending our contribution to Highland each month) regardless of the local program.

You can less us know what the others desire in the matter is, and we'll go from there.

In Christian love,

  
Dean Hoggatt
