P. O. Box 98

Dear brother Jim;

I'm ashamed that I haven't confirmed any dates with you. Since you plan a meeting at Donnover Ave, preferably Oct. 19-23, we could plan ours for Oct 26-31, which would work out with us real well. Only thing, you might be worn out, with two meetings back to back. I suppose that you would plan to stay up this way and get the two meetings over while here, without going back between them. If the So. Bend meeting ends on Thursday, you would have a couple days to recuperate though.

If these dates are all right with you, Jim, just let us know and we'll take it from there. If you would rather have a week between the two meetings, we could plan an early Nov. meeting. The weather would likely be better in Oct. however.

Brother Norm Herron has been with us three years and doing a good work. He just returned from directing the intermediate session of camp (two weeks) and is trying to catch up now.

The church address is RR#5, Box 15 (this is the mailing address) but the location is 407 So. Townline Road.

The church work is going along fine Jim, and looks encouraging. We

*are thinking soon of building in, maybe just this
when we hear from you about the date, well wait
again and show the particulars.
Thank you for your effort with us. We're looking forward
to Christ. Love you.*
