Mr. Charles James
Facanaba, 49829

Dear Brother James;

Happy to receive your letter that you were interested in moving to the Twin Cities area to help establish and work with the church there. We have an interest in the work there also primarily because of the Pace's, who used to worship with us here. We know that they have worked toward expanding of the work there and have hoped for someone to move there, such as you are planning to do.

Our budget is running in the "red" and we are also planning an expansion program this summer, but Lord willing, we want to help some. We will plan on sending \$35.00/mo. and hope to keep in touch with you concerning the progress of the work. Perhaps, if and when you plan a campaign, some of the church here can come up to participate. We'd love to come and encourage all in the work of the Lord there.

We pray the Lord's richest blessings upon you and yours and the new fellowship with the Pace's and other Christians in the Twin Cities area.

Dear Norm & Marilyn, *& all others*

Thanks for your \$5.00 commitment to the support of the Charles James family in working with the Marinette, Wisc, congregation where the Pace's are now worshipping.

We would like to send help right away, so would you please make your first contribution as soon as possible and on each 1st of the month thereafter. For the treasurer's help, would you please "earmark" your contribution "for the Marinette work". There are regular contribution envelopes available if you care to use them.

May the Lord bless you in your willingness to support this mission point with the gospel.

Dean Heggatt, for the elders
