Dear Dean and family,

Enclosed is a letter to the eldership. I will expect to arrive there on Saturday as of now. Presently, June does not plan to come with me.

Our problem is her being without a car for several days. I have a pick-up, but I'm not sure it will make the trip up and back. I suppose I am getting a little wiser, for thirty years ago I would "just get in the old truck and take off." (ha! ha!)

I will be more than happy to stay with you folks. That means I will have spent my first visit and my last visit to Sagrange ~~range~~ with your family.

But, brother, I don't have to tell you (but I will) that a lot of water has run under the

bridge since that road
Sunday of February 1964 when
I "tripped back" there.

I guess the only reason I got
the job was because I did
not have any competition who
would guess for \$15.00 a
week + pay the utility. (The
Kuge part was - that was
more than I was worth at that
time.)

I look to being the way
much. We can do a lot of
visiting - both kinds.

Give my love to the nurse.
I will try to end at least
one article for the bulletin
before I arrive.

Love
Paul

23. I will leave for home. He may go
to advance starting for 28 weeks; if
not, he will go to Japan for a tour of
duty for two years.
