# ZONE NEWS

February 1, 1988

ZONE 1 - On January 23rd, Care Group #1 met at Joe and Jane Gensic's house. There was ice skating and a chili supper for all. Kathy Hughes volunteered to take money for the group's paper products and drinks when it came their turn to provide those items for fellowships within the congregation.

It was decided that this group would like to help do odd jobs in each other's homes and for others in the congregation as works of service. Repair work, painting, wall papering, etc. were some suggestions.

Their meetings scheduled so far are: February 14 there will be a combined meeting with Zone #2 ; on February 27 they will meet at the Pepito's, and go to the park for sledding and ice skating. There will also be Bible study and supper.

Bible study for this first meeting was led by Joe Gensic, and fellowship was discussed from Acts 2:42, as well as the importance of prayer and being God's people as a focus for our lives. Another passage discussed was Matthew 7:7. A prayer envelope was begun so that prayer requests could be written down, and committed volunteers would pray for those requesting it.

They decided to use Max Lucado's book On The Anvil as a "curriculum" and guide for future Bible studies. Copies of the book have been ordered for each member of the group, and they will be using a chapter per meeting for discussion. Sharon Pepito volunteered to take notes and be the secretary of future meetings, and Jane Gensic volunteered to keep the prayer envelope organized and going.

ZONE #2 - This Zone had it's first meeting on January 10 at Mike and Pat Hall's home, complete with a potluck. Those present were the DePriests, Mays, Joe Oakleys, Jim Brady, Ruth Engle, Bob Sowles family, with the exception of Kathy, who was sick.

Mike Hall led a discussion of Matthew 18, the parable of the unmerciful servant. There was good discussion. It was agreed that whoever hosts the meetings for this zone would choose the scripture to be discussed.

Janet DePriest was elected to be the secretary for the zone, and Sally May is to be the treasurer.

Many of the children brought warm clothes and skates and went to a nearby pond to skate.

A meeting was planned for February 14 at the church building with Zone #1 for a Valentine get-together. It was concluded by all that they have a super zone ! Harold DePriest dismissed this meeting with a prayer before the Zone went to the nursing home to sing.

The second meeting of this group took place on January 30 at the home of Joe Oakley with a baked potatoe dinner.

Those attending were the DePriests, Oakleys, Bob Sowles, Mays, Halls, Ruth Engle, Thelma Morris, Luella Oakley, Nannie Hall & Jim Brady.

Joe Oakley gave a very good lesson using an illustration which you

should ask him about when you get time, concerning the snowmobile and the ice.

Lois Oakley made the suggestion that this group have a "work day" and repair some song books. This will be done soon. The next meeting will be on February 14.

ZONE #4 - This Zone met on January 23 at the Noble's house. They experienced an excellent attendance considering the number of members sick and unable to make it.

They had a great meal and fellowship, followed by a study of the following passages: John 13:34-35 ; Acts 2:44-47, 4:32-35 ; Eph. 4:11-16 ; and I Cor. 12:12-27. Emphasis was placed on the importance of each member of the Body doing their part to help the rest of the Body to become mature in Christ. Attendance and consistent participation in Zone meetings was included in those things necessary to accomplish this.

Calendars were then passed out and gone over by the group, and dates were chosen through the month of April for meetings and locations for these. Also discussed were works of service the group could engage in for the year, as well as times of recreation and fellowship just for fun. The group will be looking more at this calendar during the next meeting (Feb. 13 at the Copeland's), and try to complete more of these dates.

There was also discussion of the purpose and goals of the Zone for the year, and those are included below:

**PURPOSE:** To enable this small segment of the Body of Christ to build stronger friendships and relationships with one another, and to provide a core group of support for the same people to rely on in a time of need, aside from the congregation as a whole. It will also be an avenue of service to the community and the rest of the Church.

- GOALS:**
- A. Meet at least twice per month in the home of one of the members of this zone.
  - B. To have a Bible discussion(study) at each of those meetings.
  - C. To have a different male member of the zone lead each Bible discussion on a rotating basis, where the same man does not repeat in leadership two months in a row.
  - D. To encourage those in this zone who are inactive in other areas of the work of the Church and/or weak in their own faith to become stronger and aim for maturity in Christ.
  - E. To be involved in a variety of works of service towards other care groups and members of the Body.
  - F. To invite our friends and neighbors to our monthly Bible studies. (When doing this, make sure that you contact the person leading that particular Bible study so that he can plan it with an evangelistic message especially for the non-Christian).
  - G. To pray together on a regular basis when getting together.
