SUGGESTIONS: Always reconcile your account immediately after receiving your statement. * To start reconciliation, arrange your checks in the order in which they are recorded in your checkbook records, then cross off these checks against the stubs in your checkbook records. When this has been accomplished, the uncrossed stubs represent outstanding checks and should be listed under item 4. * If total shown in Item 7, does not agree with your checkbook, verify all of your additions, subtractions and carry-over balances on your checkbook stubs. * When checkbook and bank statement are balanced, mark checkbook stub at the point where the balances were reconciled.
