Dear Brother Dicus;

We would like to have 100 copies of your song "OUR GOD, HE IS ALIVE" to put on the inside cover of our hymnbooks. Would you send us these along with the costs, or let us know how much it will be and I'll send this amount, and then you can send them to us.

We think that this is a fine song and will be an inspiration to the hymns we like to sing.

Thank you very much and may the Lord continue to serve you with His richest blessings.

In His Service,

Dean Haggatt, for the church at Lefrange
