Dear Brethren:

There was an ad in both Fort Wayne papers Thursday - Monday. We got a small news item on the church page Saturday and a review in the T. V. Scout on Monday. Some of the other churches were planning to put some ads in other papers, but I do not have a complete list now. A flyer and a letter was sent first class to 260 denominational churches in this area.

This video tape now belongs to us. Any time that you desire to use it just let me know.

The display of our buildings was not handled as we requested. The next time we use this movie on T. V. we will prepare our own display board and do a better job.

Please let me know of any response you may have to the program.

Sincerely,

cp/W.L.M.
