Dear brethren,

We acknowledge receipt of your \$100.00 check for brother Warren and his his family and want to express our appreciation for your continued interest and support for them. Your help of \$25.00/wk. is an assist that they needed to meet the normal expenses which we are sure a family of seven is bound to have. We are hoping that within a few months we can assume their entire support and also participate jointly with them in a retirement program for the future.

In terms of their value to the work here, we cannot repay them for what they mean to us. Brother Warren is now preaching, teaching two classes and is primarily responsible in setting up a new personal work program in which he is involved in visitation and studies. Marilyn is equally involved with visitation, classes, extending hospitality on the home front as well as the usual work of homemaking. They have merged so well into the congregation and the work here, we have come to love and appreciate them very much. They also have expressed to us their contentment for the area, the congregation here the good work that's going on, and we want to do whatever we can to keep it that way.

We solicit your prayers and continued interest. Anytime you can come our way, we would so much appreciate your presence.

Thinking you again, we remain

Yours in the Lord's work,
the elders, LAGRANGE Church of Christ
