Dear Brethren;

I would like to make a request, if you please. A friend of ours has had a son to move into your area. They would like for the church there to contact these people, only they would rather not let them know that you were contacted by the church here. The parents here are Baptists but their son and family have not been associated with any church, at least recently. So, if you could contact them in your usual canvassing, the parents here would appreciate it very much. The name and address is:

Mr & Mrs. Paul Peale
19323 East Rowland
Covina, Cal, 91722

Thanking you in advance, we appreciate your efforts in the Lord's work. If you make contact, we would appreciate letting us know.

Yours in His service,

Dean Hoggatt
