To Whomever It may Concern
To Whom It May Concern:

Through the church of Christ in Lagrange, I have known Mr. & Mrs. Paul Everidge who are the parents of two of our members in the church here. They are in need of financial assistance, on a continuing basis, as neither are able to work on a regular job.

Mr. Everidge sustained an injury to his knee in 1970 when he slipped and fell at work. He was under doctor's care from the time of the accident and after having gone to the Bluffton Clinic in 1975, it was necessary for him to undergo surgery. The operation seems to have been of no help to him to allow him to work.

Mrs. Doshie Everidge was involved in an auto accident in 1973 which injured her shoulder and back. She received a settlement from the accident but has since been unable to work because of the back pains. To complicate matters, they both have an arthritic condition, and are gradually using up what funds they had in order to meet their needs.

With the approval of their son, Earnie Everidge, who is presently in the navy, they need his presence and financial support at home. It is for this reason that I submit this letter, that they may again have him with them helping in their needs.

Sincerely yours,

Dean Hoggatt, elder
