Dear Dean, Thelma, Lesly, Jean, and Brian:

It was surely a pleasure to be with you folks in the recent gospel meeting. I appreciate very much the good meal in your home and all your kind hospitality. I am especially grateful to you all for the ride to the airport. I made the trip home just fine.

I hope all continues well with you all in the work there. I shall look forward to having any of you come for the lectureship that can work it out.

Keep up the good work.

Sincerely,

Coleman Crocker
