Dear Bro. Doyle;

In our elders meeting we talk-
ed of having the men from Shuth
Lewis come for the Young Manage-
ment seminar. How are they
booked for around June 1982?
One week ~~the other~~ later
would still be OK.

What are your suggestions for
us to prepare for this. Do we
need to have so many in attend-
ance? Should we invite other
congregations. If you have bulletin
insert to advertise the series, we'd
appreciate them.

You might outline the cost of
this again for me.

Thanks for your suggestions and
will look forward hearing from you.
In Love, Keith Hoggatt
