Dear Brothers;

I'd wanted to write to let you know that your support of brother Paul Savage and his wife Gayla, is well pleased. They were a great inspiration to us and they started a program that allows so many to be a part of, in so short of time. It's good to see the many having a good chance to hear more of God's word in so short of time. Many who, otherwise wouldn't do it on their own, in months of Sundays, or even on their own private study.

It's an unusual ministry which is very useful and much needed in the Lord's church today. May the Lord bless this work to His glory. Thank again for sharing with us. In Christian love, Dean Hoggatt
elder - Tennessee Church.
