Norm,

Here are some historical papers
but I don't suppose they will help
you much (concerning our boxing
days) Use them as you need though.

Please bring these back when
you come this week-end. (My
only copies).

Thanks & love
Sean

March 28, 1986

Dear *Church of Christ,*

As part of the LaGrange Sesquicentennial, a history of LaGrange's 150 years is being compiled to be published in a hardbound book by Taylor Publishing of Pennsylvania. We feel this is a book LaGrange can be proud of and will be offering leather bound copies at an additional cost to those who desire.

The book will include: Our EARly Years, Local Government, Transportation, Merchants, Schools, Organizations, Churches, Health Care, Communications, Recreation, Architecture, and Agriculture.

We feel your organization is a part of the history of LaGrange and we would like to include it in our book. We would also like to include a picture. This may be one from your files or a present day one of your group. We have photographers available to take a picture of your group, if you would like. If you are planning something special for the Sesquicentennial Celebration, June 18-22. and would like for that to be your picture that also can be arranged. (Arrangements for picture-taking may be done by contacting the Town Clerk's office or Jeanie Park 463-3450)

Would you have someone compile your history(250-300words) and send to the Town Clerk's office or Richard Tjarks by June 1 ?

The book committee would like to thank you for your cooperation and participation.

Sincerely,

LaGrange Sesquicentennial
Book Committee

HISTORICAL SKETCH

The following write-up is to appear in a historical survey by the local Bicentennial Committee. It was thought that the church here might enjoy reading it, and to know that as of this Sunday, we begin the 23rd year for the congregation here in La-Grange.

Church of Christ
LaGrange, Indiana

The nucleus of the Church of Christ now meeting at 437 South Tomline Road had its beginning in 1953 when a few friends began meeting in the home of a Christian family. Within a few weeks a meeting place was secured on Detroit street, above Yates Shoe Store, and this was used until such time that a meeting place was built at the present site at 407 So. Tomline Road.

The first meeting of the church was on June 10, 1953, on a Wednesday evening, in the home of Paul and Alberta Sumney, on the site where the Stephen Studio is located. There were 22 in attendance. They were: Earl and Kay Wilson and their three children, Willard, Mary and Ruth (the first three of which are now deceased); Fred and Devora Cox (now living in Kissimmee, Florida); Carl and Jessie Pieratt and their two sons Bill and Jim (all living in LaGrange); Paul and Alberty Sumney (daughter and son-in-law of the Cox's) and their two daughters Ann and Paula (all living in Florida); Jean and Thelma Hoggatt (living in LaGrange) and their two children, Kathy, in Oella, Georgia) and Kent (in Rochester, Michigan). For the first meeting we also had three visitors: One a minister, Doyle Farwood, and a friend, Leon Green, both from Elkhart, and another minister, Lurien Palmer, from Garrett.

The first Sunday in August, 1953, we began meeting at the rented hall on Detroit street. In the spring of 1955, a building site was purchased from Noel and Georgia Rowan at the present location,

and construction, from donated labor, was begun. An auditorium and classrooms were completed and first services were held in the new building on September 23, 1956. The church realized a steady growth through the years in addition to many coming and going as employment demanded. Because of increased size, a new educational addition was added to the building in 1970 and auditorium space was increased to fit the needs. The balance of the ground owned by the Rowan's has been purchased with plans being laid for future expansion with more classrooms and new auditorium. The church has now an average attendance of 175, for Sunday morning.

In April of 1974, the church began a bus ministry. This made it possible to expand our evangelistic outreach and to provide a greater service to those in the community rural areas. A year later, a second bus was placed into service. The church appreciates the opportunity to serve the community in this way.

Various ministers have served the church over the years: Paul Sumney, Bill Storers, Paul Hosse, Earl Garner, Earl Giesecke and presently, Norman Herron. Mr. Herron and his family were missionary's in Norway for six years previous to their coming to LaGrange in August of 1972. They reside in the church home just north of the church building.

The church has supported evangelistic and benevolent works over the years. The nationwide Herald of Truth radio and television broadcasts are supported on a regular basis. Various T.V. and radio "specials" as well as missionary appeals receive assistance as needed. They are presently supporting one child at the Shults Lewis Children's Home at Valparaiso, Indiana. A food bank is maintained at the building to help in time of need. The ladies make monthly tray favors for patients at the hospital and nursing homes as well as meeting regularly for special projects. Many of the

Since the beginning of the bus ministry, the church has initiated a special teaching program geared especially for the young children of A children's Bible hour is held both Sunday morning and evening where children are taught the Word of God by way of puppets, skits, and songs. Age level Bible classes are held also on Thursday evenings.

The church has three primary interests: Evangelism (spreading the Word of God to the saving of souls), Benevolence (being of service to any in need) and Edification (instruction to the church in Christian living). Everyone is invited to attend their regular services whenever possible.

~~Additional information will be given concerning children's Bible hour services etc. but space here will not allow~~
members are engaged in home Bible studies and Bible Correspondance work both locally and in foreign countries.

History of the church of Christ for the
Lagrange Sesquicentennial

6/27/86

On a Wednesday evening June 10, 1953 a few members of the church began meeting in the home of one of its members, where Stopher Studio is now Located. Twenty Two were present (five Families) at the first meeting.

The first Sunday in August 1953 the church began meeting in a rented hall above Yates Shoe Store on Detroit street. In the spring of 1955 our present building site at 407 So. Townline Rd. was purchased and largely through donated labor an auditorium and classroom facility was built, and the first services were held in the new building on Sunday Sept. 24, 1956. A preachers home was built adjacent to the church building in 1959.

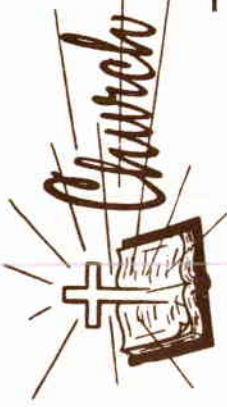

The church realized a steady growth through the years. An educational wing was added in 1970 and again another wing was added in 1976 to its present size, giving the church an auditorium, fourteen classrooms, kitchen and restroom facilities.

The church has been served by many ministers over the years: the families of Bill Stowers, Paul Hosse, Earl Garner, Earl Gieseke, Norman Herron and Eddie McGuiggan, with the latter two presently working as co-evangelists for the church.

Over the years the church has been active in several ministries in the areas of benevolence and evangelism. Presently, the Keenage program, directed by Norm Herron, which serves the older adults of the community, has just celebrated its 8th anniversary and a radio talk show co-hosted by Norm Herron and Eddie McGuiggan, aired on Sunday at 8 a.m. over WSTR is beginning its second year, Home Bible studies, special classes and activities for both men and women are a part of the church's outreach.

The church of Christ seeks to restore New Testament Christianity and exists to serve the Lord by serving the community. We welcome any and all who subscribe to the doctrine of Jesus Christ, to be a part of our fellowship.

P.S. If you think that the names of the original five families alluded to above would be of interest in this historical sketch, you may include them. They are: The families of Fred Cox, Carl Pieratt, Earl Wilson, Paul Sumney and Dean Hoggatt

bulletin (attached) article June 15, 75*

Our Plea

A RESTORATION OF THE CHURCH OF CHRIST TO ITS ANCIENT PURITY IN AUTHORITY,
DOCTRINE, NAME, UNITY, WORSHIP, ORGANIZATION AND CHRISTIAN LIVING.

Since the beginning of the bus ministry, the church has initiated a special teaching program geared especially for the young children of A children's Bible hour is held both Sunday morning and evening where children are taught the Word of God by way of puppets, skits, and songs. Age level Bible classes are held also on Thursday evenings.

The church has three primary interests: Evangelism (spreading the Word of God to the saving of souls), Benevolence (being of service to any in need) and Edification (instruction to the church in Christian living). Everyone is invited to attend their regular services whenever possible.

ANNOUNCEMENTS

Our Vacation Bible School is now history, and we can say "Whew!" The daily attendance ranged from 185 to 193, which averaged near 190 per day. The Friday evening program brought many parents and although the teachers were exhausted, along with those who run the busses, we feel that much effort was put forth that will bear fruit to the glory of God. Many thanks to everyone that had a part in the school this year. Your full payment of reward will be given later, by the Lord.

There were some forty persons who rode the bus to Elkhart Thursday evening for their gospel meeting with brother Bob Bryson. They appreciated it and an enjoyable and profitable time was had by all. The moving lesson presented by brother Bryson caused many to respond at the invitation. Five from LaGrange: Mary Shears, Dick Hostetler, Marcia Ritchie, Steve and Kim Herron asked for prayers and confessed sins. The spirit of fellowship is strengthened between congregations when interest for each other is present. We could and should do this more often.

For the youth of the congregation: The Singing group "Autumn" from Michigan Christian College will be here Monday evening at 7:30 for a program. Some from Elkhart and South Bend indicated they would come. The pianos are right now to be set up in the tent, unless the weather does not permit.

Also, the last Roller Skating party is Monday evening at the North Roller Dome, Ft. Wayne. We would like to know today how many want to go, to know whether the bus will be sent.

The Area-Wide fellowship will be this Friday evening at the Gateway Plaza in Ft. Wayne. The ladies are invited along with the men. Speaker will be Frank Hughes from Grand Rapids. Subject: The Christian Home. Reservations asked by 18th.

Ellen said she liked to buy cookies her kids didn't like too well, then they lasted longer.

One Saturday Devon thought it was Sunday and started to dress for church when Ellen reminded him it was Saturday.

Lucella Cobley said "I remember Devon because when I visited the church the 1st time, I was hugged ^{by Devon} 4 times before I got out of there"

Ellen had a very distinctive laugh. It was good to be around her. Devon had a winning smile and a distinctive (ready) handshake.

Mary (Wilson) Bolin said she remembered when Devon was presented with a glove on a yard stick at one of the Old Folks Feasst to recognize his habit of shaking hands with everyone.

over

We are sure sorry we will not be able to come as our grandson, Ryan Hoggatt will be getting married that day.

Notes from the past:

Devon & Ellen came to church services for the 1st time on Dec. 11, 1955. They were baptized in the Elbert church building on Apr 29, 1956. Bill Stowers taught them, having moved to Logansport with his family on July 15, 1955

Devon helped pour concrete for our new church building on May 25, 1956

Eldership appointed (Dean ^{Hoggett} and Devon ^{Hatfield}) on Nov 17, 1971. Deacons appointed (Perry Miller and Jerry Pace) on Dec. 17, 1972. Joe Oakley added as a deacon Aug 3, 1972

Going away party for Devon & Ellen on Nov 24, 1985
We got them a plaque and a hall tree.

→ Bill Stowers (a jokester) said "I converted Devon just in time to do electrical work on the building."

Devon & Ellen were always involved in the work of the church. We could depend on them to "be there". We appreciated them very much.
