Dear Mother and Dad,

Now that your precious baby is here you cannot help but begin to plan anew the kind of parents you want to be. You want to help this tiny living soul become his very best self. You want him to be healthy, quick to learn, get along with others, and know assuredly that you love him and God's love is constant.

We want these things for him, too. We have decided to provide experiences for him during the Bible classes that would actually teach a tiny baby about God's love and care.

We've planned a way for him to smell pretty flowers, taste a bit of honey and touch soft feathers of a bird. We've planned many songs to sing about God. We've planned a class where babies like yours (from birth to one year old) could come to spend some happy hours and learn that God is love. We'd be so happy to have a part in helping your child take his very firsts toward spiritual maturity.

We realize that you may not live in Lagrange, or be a member of the Church of Christ, or any religious group for that matter, but regardless of who you are, or where you live, we want you to know that we care, really care, about your baby and you. The times of our Bible classes are Sunday at 9:30 A.M. and Thursday at 7:30 P.M. The teachers are Marilyn Herron and Pat Hostetler.

If we can help you in any way, please call,

Sincerely,

P.S. We have classes, too, where you can study together with other parents and strengthen your own faith in the true and living God.
