TO: Brian Hoggatt

In reference to your recent inquiry regarding vital statistics, please note the item(s) checked below:

**WE DO NOT ACCEPT PERSONAL CHECKS.**

Send CASH or MONEY ORDER made payable to Washington County Probate Court.

Your check number \_\_\_\_\_ is returned.

Please enclose a self-addressed stamped envelope.

We do no checking for names of ancestors or unknown dates of events. Some information might be available through our Archive of Records, but this type of research cannot be handled through our Court due to lack of time and personnel. We will search the records if YOU KNOW THE EXACT NAMES AND APPROXIMATE DATE WITHIN A 5 YEAR TIME PERIOD.

Birth and Death Records are not available anywhere in this county prior to 1867. Before 1867 only Census Records existed. (See enclosed information sheet).

Birth and Death Records AFTER December 20, 1908, are maintained at either the Washington County Health Department, 342 Muskingum Drive, Marietta, OH 45750, (740)374-2782, if the birth or death was outside Marietta city limits; OR at the Marietta Board of Health, 304 Putnam Street, Marietta, OH 45750, (740)373-0611, if the birth or death was within the city limits.

We can find no \_\_\_\_\_ record during the years you mentioned.

✓ We can find no probate record of the name(s) you mentioned:

Ruth Devoil, dad 10/05/1805

Deputy Clerk

*Shirah Whiteley*

Regarding the Marriage Record for Hilbert Deneve and Anna Hatch, dom 4/4/1811, it is listed in the index but I cannot find it in the marriage record book. It appears pages 68 + 69 are missing.

ADDITIONAL NOTES:

NO MONEY WILL BE REFUNDED FOR \$1.00 OR LESS. THIS WILL BE CHARGED OFF AS A SURCHARGE.

Please DO NOT send money with your initial inquiry. The only time you should send cash or money order is if we have notified you that we do indeed have the records you have requested.
